

Honorable Robert J. Tonker

I am writing you to request a hearing to acquire alternate counsel in my defense in the matter of case # 1:23-Cr-39. I am making this request due to the fact that the attorney currently assigned for my defense has been ineffective for the following reasons to present all the "evidence and witnesses" in my case! He and I, also have had conflict of interests regarding my defense. Namely, ~~convincing~~ me to plead guilty against my better judgement. I hope that the court will take my request with the up most seriousness as these matters weigh heavily on my mind and in my heart. This is my future and freedom on the line and believe I should be given the best possible representation and am entitled to a sound defense of which up to this point I have not been given.

Thank you for your time and consideration in regards to this matter at hand.

Respectfully Carlos V. Watts Jr.
